

Sale Name: 120 Acres, Allen County, Ohio

LOT Tract 2 - Tract 2

Description

Approximately 22 acres also just west of the Allen/Hardin County line road and on the north side of Reservoir Road. This wooded tract is full of mature hardwood timber and wildlife. This wooded acreage would be well suited for a recreational property or timber investment. No longer ask permission to hunt other landowners' property, have a piece to call your own! This tract would make a great addition to the other tracts or as a purchase on its own.
