

Sale Name: 349.635 Acres, Hardin County, Ohio

LOT Tract 1 - Tract 1

Description

This tract is unique with high quality soils and systematic tile. The soils on this farm consist primarily of Pewamo and Blount soils. This tract also comes with additional income from the wind turbine. At 90% tillable and the additional income from the wind turbine which offsets the non-tillable acreage, this is a highly desirable investment or addition to your farming operation!

Quantity: 1
