

**Sale Name:** 141 TEST AUCTION

**LOT Tract 2 - Tract 2**

**Description**

Tract 2 consists of a nearly perfectly symmetrical 20 acre field. This tract has just over 3 acres of woods with the rest being primarily all tillable. Soil types on this tract consist of Blount, Pewamo and Glynwood. This tract would make a great investment, building opportunity, or addition to the other tracts offered on this sale.
