

Sale Name: 108.049+/- Acres, Ottawa County, Ohio

LOT Tract 2 - Tract 2

Description

This 23.88-acre tract is conveniently located adjacent to residential housing and features primarily tillable land with an impressive NCCPI of 66.79, indicating high-quality soil. With significant road frontage, this property offers excellent accessibility and versatility. It is well-suited for continued tillable farming and presents promising development potential due to its strategic location. An ideal addition to your land portfolio, either individually or in combination with other parcels in this sale.
